(i) The Michigan Association of School Boards adopted a responsible contractor policy as a part of their policy services in 2004. The original contribution of language in the formulation of the sample policy was provided by the West Michigan Construction Alliance and the Michigan Building and Construction Trades Council. The above organizations and their designated and authorized representatives have full rights to the use of this sample policy.

(ii) Muskegon Public Schools was the first Michigan school district to adopt a responsible contracting policy.

(iii) Chelsea School District, Kent City Community Schools, Otsego Public Schools, and Parchment School District have a Responsible Contractor Policy through NEOLA policy services.

(iv) Gull Lake Community Schools developed a Responsible Contractor Policy for their 2004 bond issue only. Gull Lake is a NEOLA school.

(v) Lakeview School District, Mendon Community Schools, Muskegon Public Schools, and Roseville Community Schools have Responsible Contracting Policies, but they are not listed at MASB or NEOLA.
